Terms & Conditions: All overseas orders are generally shipped by Air Cargo to any International Airport, in the buyer's Country, but we can also avail Fedex\DHL\UPS services for door to door delivery if directed by the buyer. Shipping, fumigation, customs clearance charges and all other duties/taxes (if applicable) are to be borne by the buyer.

Domestic orders from within India would attract an additional 5% CST, while those within West Bengal, India would attract an additional VAT charge of 5%.

As per, Indian Export norms, we only accept payments to our bank account. Prices and specifications of all our listed products are subject to change without prior notice. Always enquire about delivery schedules when ordering. Delivery Schedules quoted are approximate and are subject to change without prior notice.

Since August 2013, due to airline regulations, we have stopped supplying battery packs with our overseas shipments.

For more details please read our Terms & Conditions documents.
